U.S. (Washington State) Pilot Escort Vehicle Operator Certification Course

Presented by: B.D.R. Safety Consulting Inc.

In co-operation with  **EVERGREEN**
SAFETY COUNCIL

B.D.R. Safety Consulting Inc. is in the process of setting up a U.S. (Washington State) Pilot Escort Vehicle Operator Certification course in Calgary, Alberta on Saturday February 02nd, 2019. The course will be from 08:00 to 16:00. Location will be determined based on number of attendees.

This certification course is recognized throughout the U.S. for Pilot/Escort Vehicle Operators and carries reciprocity with the majority of the States that require certification.

This course also includes extra information on rules and regulations from British Columbia to Ontario.

The curriculum being presented is the Evergreen Safety Council's, Pilot/Escort Vehicle Operator (P/EVO) program. Upon successful completion, students will receive the Washington State Department of Transportation "Pilot Escort Vehicle Operator Certification" card. The card is valid for 3 years.

All course material is provided and includes the General Oversize Regulations and Pilot Car Directory for Canada, Federal Highways Administration Guide to Pilot Vehicles and several other pertinent publications.

Although there are no requirements at this time to be certified to operate as a Pilot Escort Vehicle Operator in Canada, this certification course can go a long way to prove Due Diligence in the performance of your duties.

OVERSIZE LOAD

Cost for the course is \$329.99 + GST (\$345.45) based on a minimum of 12 participants.

To register for the course or for further information, please contact B.D.R. Safety Consulting at: bdrsft@mymts.net or call (306) 737-2911. Registration must be received by January 18th, 2019.

If you know of anyone interested in this course, please feel free to pass on this information.
